

## SCHOOL PROFILE

**The School:** Summit Christian Academy is an independent Christian school, offering preschool through 9th grade. Founded in 1974, SCA is a member of the Association of Christian Schools International (ACSI). We strive for academic excellence built upon an evangelical Christian foundation.

**Our Mission:** Summit Christian Academy partners with parents to offer a challenging biblically based education resulting in students who are motivated to confidently impact their world for Christ.

**The Faculty:** The faculty is composed of committed Christians who are devoted to educating students in a Christian environment. Each faculty member holds a degree in a specialized area of education. Our teachers actively disciple students in their knowledge and relationship with the Lord.

**The Campus:** God has blessed us with a beautiful 17 acre property nestled in a quiet section of South Abington Township. Our school building houses preschool through 9th grade. God has provided us with an amazing playground for our elementary students, and our gymnasium is used for PE class, archery, and recess in colder months.

Our goal is to develop life-long learners who diligently seek a personal relationship with the Lord. The core curriculum includes Reading, Language Arts, Math, Science, Social Studies and Bible. Smartboard technology and other supplemental programs provide a dynamic learning environment for our students. Fine Arts education including Art, Choir, and Drama completes our program. This well-rounded, curricular approach encourages the development of each child while building upon individual strengths.
